Dear Mr. Allen,

I wanted to express my appreciation for your dedication and commitment to the safety and health of your employees. Allen & Graham completed the 2009 year with no workers' compensation claims. Our records indicate that this makes 4 years with no lost time incidents.

Safety starts at the top! This is a great accomplishment and can be seen as a testimony for your efforts to make safety a priority at your projects. This same priority is evident in each employee when jobsites are visited.

Congratulations again for the accomplishment of 4 years with no lost time injuries!

Sincerely,
